A Note From Your Teachers

2026

What is a dance recital and why is it important for your dancer to participate?

A dance recital is a performance in which dancers showcase their skills and talents to an audience. It is an opportunity for dancers to demonstrate their hard work and dedication to their craft. Our Recital is milestone in a dancer's journey and can be a rewarding experience that they will cherish for years to come.

All About Dance Recital Benefits

1. **Boosts confidence-** Performing in front of an audience can be nerve-wracking, but it also helps dancers build confidence in their abilities.
2. **Improves technique-** Preparing for a dance recital involves practicing and perfecting choreography, which helps dancers improve their technique and form.
3. **Creates teamwork-** Dancers often perform in groups during a recital, which allows them to learn how to work together and support each other.
4. **Showcases progress-** A dance recital is an opportunity for dancers to show their progress and growth over time.
5. **Creates memories-** Participating in a dance recital can be a memorable experience for both the dancer and their family and friends who come to support them.

A Note from Your Teachers

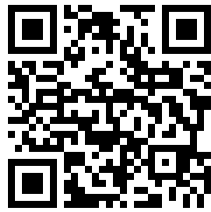

A message to all of the Petite Princess, Creative Dance and Dance Combo classes... For most of the young dancers, this is the first time they will be on a stage, for others it may be their second or third. With that being said, they are still very young. Our goal as dance teachers is to teach your child to love dance, through play, props and creative thinking. Choreography at this age is secondary. So please enjoy their creativity, smiles, tears, just plain cuteness and the courage for getting on the stage!

We would like to sincerely thank everyone for such a wonderful year, and for the incredible love and support you showed Miss Christina as she courageously faced her battle with breast cancer. Every card, signed banner, note, and kind word meant more than you could ever know.

A BIG shoutout to our AAD Rhythm Boosters. A group of amazing Dance Parents volunteered to start a Booster this year. To say its been a success is an understatement! Thank you for all you have done! Can't wait to see what you have up your sleeves for next year!

Miss Christina, Miss Norma, Miss Kelsey, Miss Allison, Miss Jacquie, Miss Jojo, Miss Rebecca and I have had an amazing time teaching and working with your children. They have brought so much joy to everyday. Hope to see you next year and please enjoy the show!!!

*Always,
Miss Lisa and the entire AAD Staff!*
