

Spring Classes 2024

May 13th-June 17th

NEW THIS YEAR...

Intro to Company

NEW!! For dancers ages 5-7. Calling on all dancers that may be interested in becoming a Company Dancer, this class is highly recommended. Your dancer will be introduced to Ballet, Tap and Jazz that are required for company dancers.

Tumble and Groove

Tumble and Groove is our introduction to Hip Hop and basic acrobatics for preschoolers. Specially designed for our youngest students ages 4-5. This is a fun class filled with exploration of rhythm and expression.

Audition Class

This class is designed to prepare our more advanced dancers for audition or scholarship opportunities. They will be learning different tips, techniques, and proper dance Etiquette. The dancers will learn different styles of choreography week to week and will be doing mock auditions. This will also be extremely helpful for our dancers who participate in dance conventions.
